Isaac Monty is a multi talented breathe of fresh air in the South African music industry - singer, songwriter & producer.

Originally signed to StereoType Records as a songwriter, Isaac Monty quickly revealed his undeniable talents as a singer, musician and songwriter.

With a childhood steeped in music, Isaac moved from choirmaster to performer touring new Zealand and Spain before returning to South Africa where he was spotted by Chad Saaiman performing as a Jazz vocalist.

"Day by Day" - Isaac's debut single - is a percussive and emotive story about love, loss and personal growth.
